## RapidIO<sup>®</sup> The Embedded System Interconnect

### High-speed, reliable connectivity for next-generation system design

Providing a detailed description of RapidIO applications in several types of system, *RapidIO: The Embedded System Interconnect* is the first comprehensive reference on the RapidIO interconnect technology. RapidIO was developed specifically to achieve high-performance, low-cost, reliable and scalable system connectivity in embedded, networking, and communications devices. This book presents the motivations for RapidIO and describes how it compares with other interconnect technologies.

Written by one of the founders of the RapidIO Trade Association, this unique resource:

- Presents an introductory section detailing the history of the RapidIO technology
- Provides a practical guide for all of the RapidIO logical layer protocols, network, link and physical layer technologies
- Discusses the usage of RapidIO in embedded systems such as enterprise storage and wireless infrastructure
- Illustrates newly defined technologies such as the RapidFabric dataplane extensions
- Describes case studies of RapidIO usage in real system architectures
- Evaluates the programming models associated with RapidIO
- Reviews related mechanical standards such as the VME Switched Serial Extensions and the PICMG Advanced Telecommunications Architecture (ATCA) standards.

*RapidIO: The Embedded System Interconnect* is an essential tool for professionals involved in the development of large-scale, high-performance embedded networking, communications and related equipment. With accessible contributions from industry leaders, this book also serves as an excellent reference for common RapidIO packet and symbol formats, register file definitions and system software application programming interfaces.

#### Contents

- 1 The Interconnect Problem.
- 2 RapidIO Technology.
- 3 Devices, Switches, Transactions and Operations.
- 4 I/O Logical Operations.
- 5 Messaging Operations.
- 6 System Level Addressing in RapidIO Systems.
- 7 The Serial Physical Layer.
- 8 Parallel Physical Layer Protocol.
- 9 Interoperating with PCI Technologies.
- 10 RapidIO Bringup and Initialization Programming.
- 11 Advanced Features.
- 12 Data Streaming Logical Layer (Chuck Hill).
- 13 Applications of the RapidIO Interconnect Technology.
- 14 Developing RapidIO Hardware
- 15 Implementation Benefits of the RapidIO Interconnect Technology in FPGAs
- 16 Application of RapidIO to Mechanical Environments

## Order Form

## How to Order

(Please tick box)

- FULLER / RapidIO® The Embedded System Interconnect  
0-470-09291-2 Nov 2004 Hbk £65.00 €99.90 \$120.00

- Phone your credit card order UK Freefone 0800 243407  
Overseas +44 1243 843294
- Fax your order form to: +44 (0) 1243 843296
- Post your order form to: Customer Service, John Wiley & Sons Ltd, 1 Oldlands Way, Bognor Regis, West Sussex, PO22 9SA, UK
- email: customer@wiley.co.uk Please include your postal delivery address.

PLEASE QUOTE THE PROMOTION CODE SHOWN AT THE BOTTOM OF THIS PAGE

## Payment Methods

(Please tick one box only)

- Cheque enclosed Payable to John Wiley & Sons Ltd for the sum of: \_\_\_\_\_

- Please charge my credit/charge card

ALTERNATIVELY PLEASE INDICATE YOUR AREAS OF INTEREST:

### Your Personal Data

We, John Wiley & Sons Ltd, will use the information you have provided to fulfil your request. In addition, we would like to:

1. Use your information to keep you informed by post, e-mail or telephone of titles and offers of interest to you and available from us or other Wiley Group companies worldwide, and may supply your details to members of the Wiley Group for this purpose.

Please tick the box if you do not wish to receive this information

2. Share your information with other carefully selected companies so that they may contact you by post, fax or e-mail with details of titles and offers that may be of interest to you.

Please tick the box if you do not wish to receive this information.

If, at any time, you wish to stop receiving information, please contact the Database Marketing Department (databasegroup@wiley.co.uk) at John Wiley & Sons Ltd, The Atrium, Southern Gate, Chichester, PO19 8SQ, UK.

### DELIVERY

Please add the following to your order to cover delivery of your books\*  
UK customers add £3.70 (£3.15 + VAT)

European customers (both EU and non-EU destinations except the U.K.): Via surface add £5.35 / €8.00 (Incl VAT), Via air add £12.75 / €19.00 (Incl VAT).

Non-European export destinations (eg Middle East, Far East etc.): Via surface add £7.75 / \$13.95  
Via air £14.95 / \$26.95.

\* Delivery will be arranged by John Wiley & Sons Ltd on your behalf via Wiley Distribution Services Ltd. Alternatively you may collect your order by prior arrangement. We can also quote for delivery by courier

(Please email [cs-books@wiley.co.uk](mailto:cs-books@wiley.co.uk) for details).
